ABOUT ENTREPRENEURSHIP CELL

MISSION - DVSGI E-Cell aims to promote and foster the pathway of business ideas, entrepreneurship and financial awareness among the students of the institute by connecting them with the dynamic business leaders and providing them with a platform to conceptualize, implement and achieve their entrepreneurial innovations through business conferences, live business projects, social events, public relations and cultural activities in and outside the campus.

The E-cell aims to train the students for future industry prospects by focusing on their professional grooming and training through regular brainstorming sessions.

VISION- To sculpt out the innovative business potential among the students to make them a part of entrepreneurship ecosystem in the society.

From Chairman's Desk

***“ Your vision is not limited
by what your eye can see
but what your mind can
imagine. ”***

- Ellison Onizuka

Dewan VS Group of Institution's vision aims to be globally recognized premier academic institution in the service of society through established standards of teaching, learning, research, innovation, leadership and entrepreneurship and to develop students to be global professionals, entrepreneurs and lifelong learners with strong analytical and leadership skills and that is where the Entrepreneurship cell came into existence.

Entrepreneurship cell aims to develop and implement a relationship of cooperation and understanding between industry and academia and Ecell chronicles is a commitment to the endeavour of the team and their reflections on the values imbibed.

- Mr. Vievek Dewan
(Chairman, Dewan VS Group of Institutions)

From Executive Director's Desk

"It's not about ideas. It's about making ideas happen."

-Scott Belsky

At Dewan VS Group of institutions, it is our endeavour to impart education which enhances the personality of our students, giving them the strength of character and intellect, which teaches them to be self sufficient in this extremely competitive world.

Our aim is not only to simply educate, but also to inculcate values, honesty, integrity and a capacity for hard work. At Dewan our dream is to help our students realise their dreams and to send them forth into the world, as confident individuals pursuing their goals and through Entrepreneurship Cell we encourage students to spread their wings and soar, as they follow their dreams and turn them into reality.

- Col. Dr Naresh Goyal
(Executive Director, Dewan VS Group of Institutions)

From Founder's Desk

“ You don’t have to be great to start, but you have to start to be great. ”

- Zig Ziglar

The nation's aim to ignite young minds to nurture the vision of 'The Start-up India, led to the launch of Entrepreneurship Cell, SWAVALAMBAN- The Inventor's Lounge, in the campus in order to provide the entrepreneurial atmosphere to the students and also to contribute in their journey of being successful leaders. The purpose of the cell is to make the students start believing in themselves and their ideas without the fear of failure because failures build the stepping stones for success.

The Ecell chronicles is the assimilation of thoughts, patience, involvement and the final results of the efforts of the students to reach greater heights

**- Ms. Shruti Arora
(Founder - E Cell, DVSGI)**

Co-ordinator's Message

"All our dreams can come true, if we have the courage to pursue them."

Entrepreneurship is all about passion, the zeal to break monotony, to have never-say-die attitude and learn from your failures.

We at Dewan VS Group of Institutions have created an E Cell dedicated to innovative ideas, industry projects, coffee with CEO sessions, business networking etc. so that our young dynamic students can learn the ropes of entrepreneurship.

The DNA of an entrepreneur resonates with people who are mentally tuned to take challenges. It is like nurturing your baby. And the baby here is your project. We are thankful to the Management of the college, our Mentor and the zealous student team for bringing this into reality.

Happy reading!

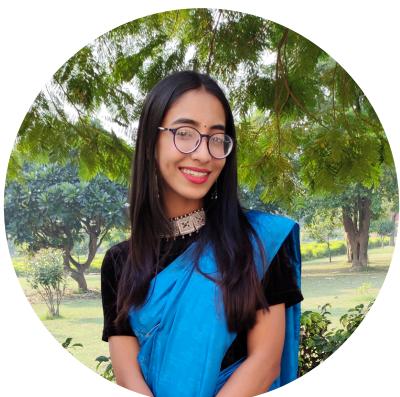

**- Mr. Vivek Kwatra
(Coordinator - E Cell, DVSGI)**

MESSAGE

Just like every plant begins it's life from a seed, we in E-CELL believe in the power of small steps to learn, grow and nurture ourselves to work comprehensively and extensively in the long term in every field.

Being a part of E-CELL, students are trained to be dynamic in their approach and compelling in their working to achieve virtuous results and excel in the competitive environment.

OUR FIRST INITIATIVE

NRITTA KALA KENDRA

Nritta kala kendra founded by **Venu** and **Muskan Chhabra** is the first startup initiative by Ecell and DVSGI'S first ever DANCE academy to instill the art of dance in the minds of the students with a motto- "**Dance your DANCE**" through various dance styles such as- Semi classical, Aesthetic Bollywood, Zumba, Freestyle, Punjabi and sitting choreography.

The Dance academy had its grand opening on 9th December 2021, inaugurated by Col. Dr. Naresh Goyal sir and Ms. Shruti Arora ma'am.

VISION- To inspire, uplift and encourage the students to learn and appreciate the values of dance and performing arts with a positive approach in and outside the campus.

NRITTA KALA KENDRA

Grand Opening

9th December, 2021

NRITTA KALA KENDRA

Dance Workshops at a glimpse

"अगर कोई म्यूजिक फील कर सकता है तो एनीबॉडी कैन डांस"

The dance workshops of Nritta Kala Kendra started from 20th December, 2021.

The first workshop was on Sitting choreography followed by Zumba and Bollywood sessions on their respective schedules.

Trainers: - Venu & Muskan

OUR FIRST COLLABORATION

GALA IN MASCHERA The Masquerade Party

DEWAN VS GROUP OF ENGINEERING AND TECHNOLOGY

The first joint event in **DEWAN VS GROUP OF INSTITUTIONS** was with the **DEWAN VS GROUP OF ENGINEERING AND TECHNOLOGY** as the Event Organisers for their Fresher's party on 15th December, 2021. The Theme of the event was "**GALA IN MASCHERA- A MASQUERADE PARTY**".

As the event unfolded, it witnessed the enthusiastic and excited spirits of the freshers and also the welcoming zeal of the seniors.

The motive behind being the organisers for the event was to make the team understand the importance of team spirit, responsibility and network building inside and outside the campus for future managerial prospects in every field because the road to success is lead by these skills along with hardwork and smartwork equally.

ROTARY INTERNATIONAL

EXPOSURE

Ecell believes in providing practical training to students to foster better results and experience through live projects. The first live project outside the campus was coordinated with Rotary International Club for their gala district conference, **SWAPNIL- THE**

CONFERENCE OF DREAMS on 18th and 19th December 2021, at The Regis Resort where the Ecell team members namely- Venu, Vishal, Sweetie and Himanshu, under the guidance of Mr. Vivek Kwatra sir had hands on practical experience of Guest Management, Team spirit and confidence building.

Mr. Rajeev Shukla, BCCI Vice President, and Mr. Kapil Sharma, Mr. Gemini acclaimed poet and humorous artist, were also honoured guests during the district conference.

Meeting the high profile guests and being a part of the coordinating team boosted the morale of the students and was in itself an enriching experience for the team.

EVENTS SO FAR..

E Cell celebrated the pride month of 73rd Republic day of our country by organising the Indian Constitution Quiz Competition.

The Waste Management Competition and The Talent Hunt was also organised for the students of DVSGI to keep them connected with each other even virtually and to engage them in various innovative and creative activities.

The Events were held in online mode on 24th January 2022.

EVENTS AT A GLANCE

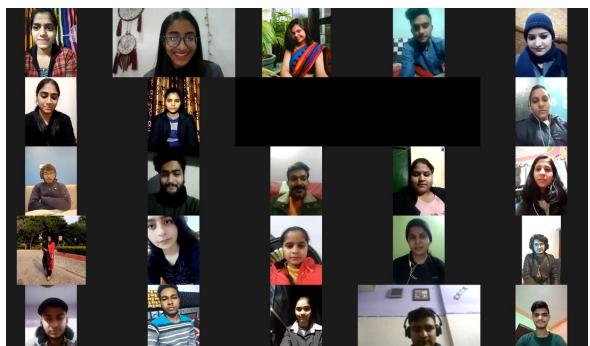

24th January, 2022

PLATFORM: Zoom Cloud Meeting

The Indian Constitution Quiz Competition in collaboration with Confederation for Education Excellence and Mai hoon Bharat Campaign to instill the values of our Indian constitution in the minds of the students and also to share with them some unknown and interesting facts about our Constitution.

Event Co-ordinator- Venu

Master of stage- The Talent Show was organised to bring out the uniqueness of the students and to boost their confidence for future activities. The team welcomed the talents such as Mandala skills,

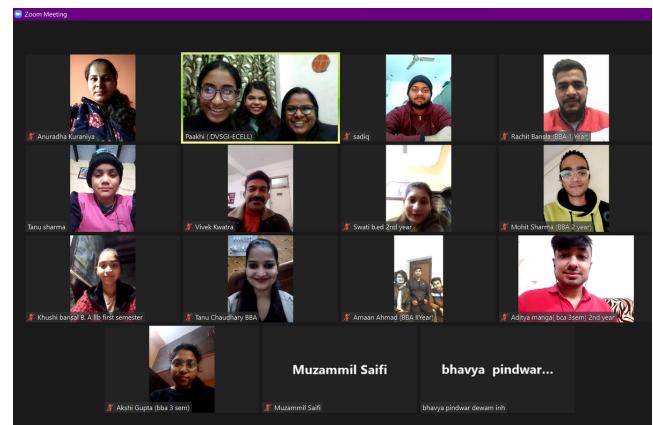

Dancing, Singing etc to let the students think, create and define their own creativity and their uniqueness which makes them different from the rest.

Event Co-ordinator- Muskan Chhabra

Non- Biodegradable Waste Management Competition was organised to promote the goal of sustainability with materials which are considered as waste and to make the marvellous out of the discarded.

To foster our progress for the Campus beautification project the team received some of the exceptional models made by the participants such as Wall hangings out of scrap metals, hanging lamps and planters made of plastic bottles and hanging lights out of tyres.

Event Co-ordinator- Paakhi Jain

The pandemic has made us realise the core importance of being connected and engaged in such activities to keep our enthusiasm, positivity and hopes higher and Ecell is working on its objective to foster creativity and innovation through these competitions to build a strong foundation for future.

ASTROINDUSOOT

ABOUT - Astroindusoot is an authentic and trustworthy platform for online astrology, in which ancient Vedic astrology is presented in a very simple way with more logical and completely scientific the method by molding it according to the present era. The main aim of Astroindusoot is to provide predictive astrology more logically, more perfectly and complete scientifically at the national as well as international level. Online consultation services are also provided by Astroindusoot which are very logical and perfect on its own because the queries are properly answered and a perfect solution is offered only after a very deep and scientific analysis of the horoscope.

ROLE OF ECELL TEAM - Yash Singhal (MCA), Harshit Ahuja (BBA), students of Dewan VS Group of Institutions are currently working as Digital Marketing interns to understand the working of the digital platforms to increase the reach and customer base and its importance in fulfilling the company's mission and vision.
